Comments:

7/7/99 - Memo to file stating USFS & SITLA closed their permits for this project in 1989. USFS (Chauncie Todd) determined no mining has ever occurred at the site and the notices were never completed or approved.

1/6/98 - annual report request was returned from the post office stating that occupant is temporarily away. A phone call to Postmaster found out Mr. Smith goes away for the winter and won't return until mid April. Mr. Bumgarner is not known to the P.O. Another phone call to USFS to see if they are aware if there is any disturbance there. Mr. Todd stated no disturbance. This file is closed and retired.

MESSRS. SMITH AND BUMGARNER SENT AN NOI TO THIS OFFICE WHICH WAS RETURNED ON 8/17/88 BECAUSE THERE WAS NO
